Subject: scheduling meetings
Date: 05/20/2008 04:05 PM

Chip, Eric -

Can you please let me know if your team is available next week for the following meetings:

Weds. May 28, 1pm = Fate and Transport Telecon.
Thurs. May 29, 9am = Background methods

I would also like to try and schedule meetings with EPA on PRGs and Stormwater Loading Methods for June 4 and 5. At this time, LWG has no preference for which topic is covered on which day. If it looks like the right people aren't available either of those days, it would be great if you could provide me with some idea of availability over the next couple weeks for the appropriate people for each topic.

thanks!
valerie
